

### HOW WILL I APPLY TODAY'S LESSON?

God prepared and enabled Lydia to be able to show the kind of hospitality He planned for her to show. He allowed her to have a successful business so she could afford to meet the missionaries' needs. Hospitality is really opening your heart and all you have to others. Hospitality is realizing that everything that has been given to you has been given by God, and you use what has been given for His purposes. Hospitality is a work of God through you. Hospitality is sharing with others the grace God has shown to you.

### A TRUTH TO REMEMBER FROM TODAY'S LESSON

Morgan was saving up her money to buy a brand new bike. She was so excited and could hardly wait until she could ride it around the neighborhood. When she went to her church's mission's conference, she heard of children in other nations who needed Jesus. Morgan decided to give the money that she had been saving up for her bike to the missionaries. Morgan learned the joy of sharing the grace God showed to her.
