

## HOW WILL I APPLY TODAY'S LESSON?

Peter probably looked pretty strong to others, when he lived in his own strength and trusted in his own boldness. But being in charge, being the most popular, or being the loudest or strongest doesn't accomplish God's will. God's will can only be accomplished through the power of God. Things that are accomplished through the power of God bring glory to God, rather than to people or things. The Holy Spirit lives in those who are saved, but Christians can still choose to live by their own power, thinking their own thoughts, and choosing their own way. You must chose to live by the Holy Spirit's power.

## A TRUTH TO REMEMBER FROM TODAY'S LESSON

When Connor learned about his church's special offering, he wanted to have a part in it. His mother told him that he should do all that he could to earn money, and God would help supply more money. Connor set out doing odd jobs around town and recycling cans. He would even walk around parking lots looking for loose coins. Although he had earned a large amount of money, he wanted to give more. So he prayed and worked, and God provided. Connor received a check in the mail from this grandmother; it doubled what he had earned. God was able to work through Connor, because Connor was willing.
