

## HOW WILL I APPLY TODAY'S LESSON?

God knows that people tend to forget how powerful and loving He is. When we are in a hard situation, it is easy for us to forget that there is nothing God can't get us through—there is nothing He can't do. And so we often try to work things out on our own, in our own way.

## A TRUTH TO REMEMBER FROM TODAY'S LESSON

God wants us to remember the things that He has done for us, and one of the greatest ways we remember them is by talking about them to others. Then, when we tell others about what He has done and is doing for us, our faith will be strengthened. "God is good and powerful and can do anything," we will think. Then, just like the Israelite children, our hope will be in God. If our hope isn't in God, it will be in ourselves or other people, and all of us are weak and make mistakes. But God never fails.

## VERSES TO REMEMBER FROM TODAY'S LESSON

### Joshua 4:21–23

- 21 And he spake unto the children of Israel, saying, When your children shall ask their fathers in time to come, saying, What mean these stones?
- 22 Then ye shall let your children know, saying, Israel came over this Jordan on dry land.
- 23 For the Lord your God dried up the waters of Jordan from before you, until ye were passed over, as the Lord your God did to the Red sea, which he dried up from before us, until we were gone over:
