

Dear Our Time Group Leader,

We are more than excited about the 13th Annual Our Time Youth Conference! It is our prayer that God will work in a miraculous way. Your young people will receive delicious food, lots of gifts, and they will truly enjoy the events of this conference; however, this is not just a time of “fun and games”. **We are begging to be used of God** to provide a conference that is not just another “wishy-washy”, weak, fleshly conference. Our focus is to provide your teenagers with Biblical preaching and God honoring music. Please prayerfully encourage as many young people as you can to attend this conference!

PRAYER: We believe in the power of prayer. This conference is bathed in prayer. We have had people in our congregation praying regularly, we have had teen groups of young men & young women praying, and we have had late night prayer meetings praying for the churches, leaders, teens, speakers, and all that pertains to this conference. We encourage you as a youth group to continue in prayer for your church, teens, leaders, & decisions made.
