YOUTH CONFERENCE

MAY 2-3, 2024

Dear Our Time Group Leader,

We are excited about the 16th Annual Our Time Youth Conference! It is our prayer that God will work in a miraculous way. Your group will receive delicious food, lots of gifts, and many high action events that happen during this conference; however, this is not just a time of “fun and games”. We are begging to be used of God to provide a conference that is not another “wishy-washy” and weak, or fleshly conference. Our focus is to provide your teenagers with Biblical preaching and God honoring music.

PRAYER: We believe in the power of prayer. This conference must be bathed in prayer. We have had people in our congregation praying regularly, we have had teen groups of young men & young ladies praying, and we have had late-night prayer meetings praying for the churches, leaders, teens, speakers, and all that pertains to this conference. We encourage you as a youth group to continue in prayer for your church, teens, leaders, & decisions made.

ATTIRE: Each group leader is responsible for making sure your teens abide by your youth group's dress standards. Everyone must dress modestly for the entire conference.

- Thursday Evening Service - We encourage the young people to wear what they would wear to a regular Sunday Evening Service.
- Thursday after the service - Feel free to change into comfortable clothes. You may want layers as the temperatures in Iowa change without notice.
- Friday Morning - If participating in competitions, we encourage teens to dress their best. If not in a competition, casual dress is suggested as there is not enough time to change before the afternoon activity.
- Friday Evening Service: The choice is up to you. You can have your teens change back into dress clothes or wear clothes from the activity.

SEATING: Seating is given on a first come first served basis. We will ensure that all registered groups will be able to find a good seat. The doors to the conference will open at 4pm.

GAMES: There will be video countdown and epic games throughout the conference. It will get loud and crazy, yet Christ-honoring. We will encourage teens to compete in these games and cheer loudly for their section teammates.
